

SELF-LOADING TRAP OPERATING RULES AND REGULATIONS

Welcome to the Self-loading Trap. It is available for use by cardholders, their family, and guests. Cardholders must be a member of the Lincoln Izaak Walton League. Student members can purchase Self-loading Trap cards but cannot bring guests to the trap. Youth Izaak Walton League members cannot purchase Self-loading Trap cards. This is your facility to use and enjoy. Treat it as though it were your own property.

The trap is available for your use during **daylight hours and evenings till 10:00 PM** most of the time. If you turn on the lights, turn them off when you leave. The trap is not available for your use during scheduled trap activities or during most rental events in the clubhouse. Typically the clubhouse is rented on Saturday or Sunday nights for wedding receptions or parties and seldom is it rented during the day. To make sure the trap is available, you can call Art Bryant, **Phone 402-488-7781**, to confirm that the clubhouse is not rented and the trap is available for your use.

The Self-loading Trap card holder is the Range Master and must be present when the trap is being used and is responsible for his or her family and guests. When two or more trap card holders are present, they all have responsibility to maintain a safe shooting environment. The card and trap privileges are not transferable. Exceptions to this rule must have prior approval from the Izaak Walton League Board of Directors.

The cost for a round of trap, 25 targets, is **\$3.00, this is a .50 cent increase over last year.** Each guest will be charged a **\$2.00** daily trap use fee in addition to the \$3.00 per round fee. The cardholder is responsible for recording the names of the guests plus the number of rounds shot on the sign-up sheet which is hanging on the bulletin board inside of the trap house. Place the money for the guest fees and round fees in the locked green metal box. The box is attached to the wall of the trap house. **Please pay by check when ever possible.**

Family members are not charged the daily guest fee. For the purpose of the Self-loading Trap use, a family member is a spouse, children 18 years old or younger, or persons living with the cardholder who are 18 years old or younger. All other persons are guests including **Izaak Walton League members who do not hold a Self-loading trap card.**

All questions and suggestions to improve the Self-loading Trap program should be directed to the Trap Chairmen or the chapter board. **If the machine breaks down; please call me and I will work on a solution for the problem**

The Self-loading Trap house combination is changed every year shortly after the first of the year and is stamped on the card that all of the members receive when they pay their Self-Loading Trap dues.
